PERSONAL STATEMENT:

I am a highly motivated, organised and conscientious individual who has spent the last 6 years working as a web and multimedia specialist within a range of local, regional and national business and social support environments.

I am experienced in working as part of a corporate team and have extensive experience in creative collaboration within challenging social settings such as prisons, youth/adult social care, schools and regenerating communities.

I am committed to delivering high quality work on time and on price; and to working in a manner that brings the best out of the people around me.

To view the extensive archive of my web and film work please visit www.lippy.info
